

## **Fondazione Claudio Buziol**

### **Inventing Venice**

Exhibition of the Visual Arts Laboratory  
held by **Lewis Baltz** with **Giuliana Racco**  
2009-2010 Iuav University, Venice  
**20th-28th May 2010**

---

**Lewis Baltz** was born in Newport Beach, California and has resided in Europe since 1986. His work is represented in most major American museum collections.

He has been the subject or author of over 20 monographs, not including the ten-volume *Lewis Baltz: Works* published by Steidl Verlag and to be released in September.

Baltz's last one-person museum exhibition was in 2007 at the Museo Civici di Modena; this year he has solo exhibitions scheduled at the Nevada Museum of Art, Reno, Nevada, "Lewis Baltz in the Desert"; *Prototype Works* at the Art Institute of Chicago, circulating to the National Gallery of Art, Washinton, D.C. in 2011.
